

All of this information is **optional and confidential**. I will keep it in a safe place and will never share it with anyone else. You can leave anything blank. The goal is to help me get to know you and your situation better so that I can help you in whatever way I can.

Name: _____

Pronouns to use in class: _____

If you privately use other pronouns that you'd like me to know, write them here: _____

Year: _____

Major: _____

Is there anything that you're responsible for that affects your time outside of class? For example, do you have to work, care for family members, etc?

Is there anything you are worried about as a student? For example, language barriers, not knowing class/university norms, accessible accommodations, etc?

Why are you taking this class?

What do you hope to get out of this class?

Anything else I should know?
